

St. Columba's Episcopal Church Big Bear

A series of testimonials from our congregation.

My name is Mary Wilson and I am a local realtor with my husband Hud. After attending many churches in the valley and off the hill, my last stop was St. Columba's Episcopal Church. I feel very much at home here for many reasons. I am

grateful for the non-discriminatory, "do not judge your neighbor" philosophy truly all are welcome! The first time I attended service here I was relieved to hear the words, "All baptized Christians of any denomination are welcome to receive communion". I enjoy the liturgy, and I appreciate the highly educated clergy. Each week the music and sermon are based on an Old and New Testament readings, as well as a Psalm. This is a Bible-based church for thinking people in which the ordained priests can be men or women, married, single, and even divorced. Hud and I have never felt more welcome in any church, anywhere. If you are looking for a new church home, the service is at 10am each Sunday. I am certain that you will feel welcome, too.

Service Time: 10am

St. Columba's Episcopal Church
